抗载脂蛋白B抗体

Anti-Apolipoprotein B antibody [Goat]

货号：RB9A37058004

产品描述

中文名称
Anti-Apolipoprotein B 抗体（RB9A37058004）

英文名称
Anti-Apolipoprotein B antibody [Goat]

别名
Apolipoprotein B-100 Apo B-100 APOB Apolipoprotein B100

靶点符号
APOB

产品类型
一抗

关键信息

宿主种属
Goat

克隆
Polyclonal

亚型
IgG

不含载体蛋白
No

反应种属
Human

应用
WB

免疫原
Native Full Length Protein corresponding to Human APOB.; P04114

特异性
Typically less than 1% cross reactivity against other types of apoLipoprotein was detected by ELISA against purified standards. This antibody reacts with human apoLipoprotein B and has negligible cross-reactivity with Type A-I, A-II, C-I, C-II, C-III, E and J apoLipoproteins. Specific cross reaction of anti-apoLipoprotein antibodies with antigens from other species has not been determined. Non-specific cross reaction of anti-apoLipoprotein antibodies with other human serum proteins is negligible.

反应性数据

应用	应用代码	物种	验证状态	推荐稀释
Western blot	WB	Human	已验证	1/200 - 1/1000

储存与纯化

形式
Liquid

纯化工艺
Affinity purification Immunogen

纯化说明
This product has been prepared by immunoaffinity chromatography using immobilized antigens followed by extensive cross-adsorption against other apoLipoproteins and human serum proteins to remove any unwanted specificities.

存储溶液
pH: 8 Preservative: 0.01% Sodium azide Constituents: 4.77% Sodium borate, 0.44% Sodium chloride, 0.15% EDTA

推荐的短期储存时间
1-2 weeks

储存信息
Avoid freeze / thaw cycle

本产品仅供科研使用，不用于临床诊断。
