变形杆菌属抗体

Anti-Proteus spp antibody

货号：RB9A37058847

产品描述

中文名称
Anti-Proteus spp抗体

英文名称
Anti-Proteus spp antibody

靶点符号
Proteus

产品类型
一抗

关键信息

宿主种属
Mouse

克隆
Monoclonal

亚型
IgG2a

轻链类型
unknown

不含载体蛋白
No

反应种属
Proteus

应用
ICC/IF

特异性
This antibody reacts with approximately 50% of the Proteus spp. isolates tested

浓度
0.015 mg/mL

反应性数据

应用	应用代码	物种	验证状态	备注
Immunocytochemistry/ Immunofluorescence	ICCIF	Proteus	保证反应	Detection by luminescence, polymerase chain reaction or culture. Magnisort-M particles (DuPont) are diluted 25 times in PBS (+ 1% gelatin). 50 µl is transferred into a microtiterplate well. Add 50-75 µl antibody solution, incubate shaking 15 min. at room temperature. Magnetize plate and remove supernatant. Add 75 µl bacteria suspension and incubate shaking 15 min. at room temperature. Magnetize plate and wash beads three times with PBS-gelatin. Resuspend beads in appropriate volume and prepare for specific detection.

储存与纯化

形式
Liquid

纯化说明
This product is sterile filtered.

存储溶液
pH: 7.3 Preservative: 0.1% Sodium azide Constituents: 1% BSA

纯度
Tissue culture supernatant

本产品仅供科研使用，不用于临床诊断。
